Midwest Greyhound Adoption maintains a fund for donations that have been sent in memory of a person or pet who has passed away. This is a special way to say you will never forget that very important loved one. We are also using this fund to honor a person or pet for major accomplishments in their life.

Once your gift has been sent, MGA will send an appropriate card informing the person of the donor's gift and thoughtfulness. The amount of your gift will be confidential and is tax deductible. All donations made in honor or in memory of a person or pet will be used to offset the cost of special injury dogs that require more than the standard medical care (such as broken legs requiring metal plates, dogs testing positive for heartworm, etc.). These dogs often require a great deal of extra medical care prior to placement in foster care.
